**PLEASE
SLOW
DOWN**

A friendly reminder to please slow down when driving through the parking lots. Please share this request with any guests visiting your place of business. We truly appreciate your attention to this matter.

**REPORT
ILLEGAL
DUMPING**

New signs have been placed at the dumpsters. We need your help patrolling. The MLK dumpsters are not for personal or public use. There is an ongoing issue of illegal dumping behind Building 1 and nearby Building 7. When you see this happen, please try to get a description of the car or license plate number and report it to Property Management right away. Thank you for your help with this effort.

Please check out the recently updated [MLK page](#) on the City's website.
